Message from the Selectmen

There is no other time of year that requires more work and more time in the Selectman's office than the end of the year and the time leading up to the annual Town Meeting. It is also the best time to be a selectman. We get to reflect back on the years accomplishments and lay out the new plans for the year ahead. We take what we learned this year and apply it to what we need to do for next year. Here are a few items of interest.

1. Another year of heavy rain, particularly which occurred the last week of June and into the first week of July set our priorities to once again focus on road repair. Old Walpole Road, Joslin Road, Webster Road, and Pond Road were the worst hit. There were numerous washouts and plugged up culverts that needed repair or replacement. A state of disaster was declared by the State and Federal government for our area which opened up available funding from FEMA to help offset the costs. FEMA will pay 75% of the costs to put the roads back to the way they were, "replace in kind" is their terminology. Here in the Selectman's office we were all in agreement that to repair the roads back to exactly as they were would be foolish and a waste of money. To keep doing things the same way but expect different results is irresponsible and impractical. We immediately started gathering ideas from our local contractors, engineers, and conservation committee as to how we could do better. Larger culverts, better ditches, additional culverts, and reshaped gravel were some of the improvements. We worked hard to stretch the FEMA money and do as much as possible with what we had. This took asking the Town departments to be mindful of their budgets which they respected. Time will tell how the improvements will work out but I know for sure we did the best we could.
2. Malcolm Drive was re-paved this year. It was completed prior to the heavy rains and held up perfect. Smooth is the only way to describe it. The residents living on that road are pleased with their new blacktop and rightfully so, it is hands down the nicest road in town.
3. The Town Hall continued receiving its facelift this year. The east end and the rear of the building were both addressed with new sills and clapboards and it looks great. We hope to continue this year with work to be completed on the west end and the carriage shed. Lots of compliments on our old Town Hall are heard regularly.
4. We now have new tax maps in our office. The maps have been converted from the old format to the new digital format which makes updating the hard copies easier and less expensive. Therefore we should have more accurate and up to date maps available to you in our office. The maps are updated and created by Avitar.
5. Our office is planning for an assessment review concerning exemptions. For example; current use, the elderly exemption and the veterans exemption will all be updated to be sure everyone that qualifies has the proper documentation on file and that the information is correct. We will need your help to clean up our files. Letters will go out to those we need information from, so if you receive one please respond with the information requested so that we may provide you with the best possible service.

6. Road work will also continue this year. We still need to clean up some loose ends from the storms last year so there will be no new paving done this year. We are in the process of applying for a grant from the state for work to be done on the lower Pond road, a troublesome culvert section on the paved portion of Pond road and another big culvert on Joslin road. Environmental studies and engineering work are currently underway as required by the state grant application process. These areas were damaged by heavy rains two years in a row so we felt that more needed to be done than we could accomplish last year. Also, if we are successful in our state application then these projects could be funded without all of it coming from your tax dollars. As mentioned, we hope to have the dirt section of Pond Road open this year. We also have learned a few things from last year that will help make these construction projects go smooth.
7. Due for renewal this March is our ambulance contract with Keene. We looked at some options and at this point we feel that to renew with Keene would be the right thing to do. Keene has the best resources, both equipment and personnel, available to assist us when ambulance and medical services are needed. After meeting with the Surry fire department to hear their thoughts they added that Keene also provides the Surry department with valuable training throughout the year. If you are in need of medical help it is Keene who you want to answer the call.

**STATE OF NEW HAMPSHIRE – TOWN OF SURRY
COUNTY OF CHESHIRE
TOWN WARRANT – 2014**

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 11th of March, 2014 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:

1. To choose all necessary Town officers as listed on the official ballot.
2. Are you in favor of the adoption of Amendment 1, as proposed by the Planning Board, to change the Table of Use Regulations, Article V. A. (2) Duplex Dwelling/Accessory Dwelling Unit of the Surry Zoning Ordinance, from P (permitted) in Village Residential (VR) to SE (permitted by special exception)?

The purpose of this change is to provide neighbors in the village district an opportunity to express questions or concerns when a duplex/accessory dwelling unit is proposed.

3. Are you in favor of the adoption of Amendment 2, as proposed by the Planning Board to Article VIII Section A. Non-Conforming Uses, to insert the phrase "within two years" after the phrase "it may be replaced", so the sentence will read: Should any conforming building occupied by a non-conforming use be destroyed or damaged by fire or other casualty, in whole or in part, it may be replaced ***within 2 years*** by a building to be used for the same purpose as the one destroyed, provided that such reconstructed building or new building shall not exceed in cubic contents the original building by more than twenty-five (25) percent.

The purpose of this change is to insert a time frame for replacement so that nonconformances are less open-ended.

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, the 13th of March, 2014 for the business meeting at 7:00 p.m. to act on the following articles:

4. To hear the reports of the Town Officers and Committees.

5. To see if the Town will vote to raise and appropriate the sum of \$375,076 for general municipal operations, or take any action in relation thereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
6. To see if the Town will vote to raise and appropriate the sum of \$100,000 for the purpose of making road improvements, this appropriation to be nonlapsing for one year per RSA 32:7 VI, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
7. To see if the Town will vote to raise and appropriate the sum of \$15,000 to place into the existing Town Hall and Carriage Shed Maintenance Expendable Trust Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
8. To see if the Town will vote to raise and appropriate the sum of \$3,000 to place into the existing Financial Audit Expendable Trust Fund, for the purpose of paying for a future financial audit of the town, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
9. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the 250th Anniversary Expendable Trust Fund, for the purpose of paying for Surry's 250th anniversary celebration in 2019, to raise and appropriate the sum of \$1,000 for this fund, and to name the Selectmen as agents to expend from the fund, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
10. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the existing Highway Equipment Capital Reserve fund for the future purchase of highway equipment, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
11. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the existing Police Cruiser Capital Reserve Fund for the future purchase of a police cruiser, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

12. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the existing Property Revaluation Capital Reserve Fund to pay for a future town wide property revaluation, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

13. To see if the Town will vote to raise and appropriate the sum of \$20,000 to place into the existing Fire Truck Capital Reserve Fund for the purchase of a future fire truck, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

14. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 13th day of February in the year of our Lord Two Thousand Fourteen.

When the lights go out at 7:00 p.m. every Monday and Thursday evening, that does not mean the end of my responsibilities to the Surry library. Much time is spent in bookshops purchasing the most current writings at the best price, at the Keene Public Library collecting books requested by individuals, as well as books from other local libraries for our reading group and student research projects. With the donations from neighbors and friends in Surry I have to agree with what I have heard from many of you; we have a wide selection of books for such a small town library. I wish more of you would come in and look around. If we do not have the book or material you are looking for, just tell me. One or two more books would fit in my book bag without a problem.

The adult reading group membership is growing.

The summer reading program for the children in the community has had a wonderful turn out the past two years. The time schedule from 6 - 7 every Monday evening during the summer seems to have made a hit with everyone. This year Melissa Crotto-Young along with Michelle Thornton, Sarah King, Wendy Prescott, Brandy Roof (Brandy provided a viewing of her bees, from a safe distance in her yard), Karen Whittemore, and Melinda Garland were our readers for the summer theme "Dig Into Reading."

RIF, led by Melissa Crotto-Young, was held at the library three times this past year.

The Surry Village Charter School came to the library regularly each week to exchange their books and learn the importance of a library in a community. They love the Eyewitness nonfiction books.

Because Halloween fell on a Thursday this year, I was visited by 27 goblins, ghost, witches, princesses, and a unicorn, etc., and 23 adults. Each child wrote their name on a paper leaf to hang in our windows.

Many attended our open house Old Home Day. We sold books and baked goods, but most enjoyable was the fellowship among all of you. We put out our scrapbooks and oral histories of the town. Dave Lawrence provided a slide presentation of the old farms that were moved in the 30's to accommodate the Surry Dam project.

Respectfully submitted,

Carolyn M. Locke,
Librarian

Surry Planning Board 2013 Year in Review

January: Regular Meeting

Received the State Septic Approval for operation for Barbara Patnode on Cider Mill Road.
Public hearing for the proposed Table of Use regulation change was held at 7:30pm.
Proposed change.

February Regular Meeting

Jim MacDonald submitted an application for a minor subdivision, The public Hearing for this was also held.

March: No Meeting Held

There was no meeting held in March – not enough members were present to form a quorum.

April: Regular Meeting

Elected Planning Board Officers. Pete Bissell was re-elected to the position of chairman. Eric Eichner was re-elected as secretary. Pete handed out updates for steep slope ordinances, ground water protection, and zoning ordinances. Pete brought up changing Zoning ordinances Article VII D.

May: No Meeting Held

June: Regular Meeting

Received a copy of the letter from Selectmen regarding the Bretwood gravel pit reclamation.
State subdivision approval for Charlotte & Tim Small at 1007 Old Walpole Rd.
Construction and Operation approval for septic system for 1007 Old Walpole Road. Septic
Operation approval for Frank and Nicole Conroy for 25 London Rd.
Septic Construction and Operation approval for Tom Schutzius for 65 Halwood Dr.
Septic Construction and Operation approval for Robert and Kathy Hammond for 30 Pond Rd.
Received the final (file copies) for the MacDonald Subdivision.

July: No Meeting Held

There was no meeting held in July – not enough members were present to form a quorum.

August: Regular Meeting

received State Septic Approval for operation for Cory Rice Farm Road.
Bruce Smith sent an email for Article VIII, section A proposal.

September: Regular Meeting

Corey Rice submitted an application for a driveway permit for 155 Farm Road. We did not receive a copy of the site plan.
A Public Hearing was scheduled for October 28, 2013 @ 7:30 PM for the proposed change to Article VIII, section A.

October: Regular Meeting

Received State Septic Approval for operation for Cory Rice Farm Rd.
Public hearing rescheduled due to the lack of a quorum. Scheduled for Nov 25th, 2013 at 7:30pm.

November: Regular Meeting

Received a letter from Berstein Shur (Counselors at Law) regarding the October Zoning Meeting for a zoning variance for Merriam Farm to build a home on a parcel of land that is on a class VI road. They are requesting a reconsideration from the Zoning Board.
The public Hearing for the proposed change to Surry Zoning Ordinance (Article VIII, section A) was rescheduled for December 16, 2013 at 7:30 pm.

December: Regular Meeting

Public hearing for a proposed change to the Town Of Surry Zoning Ordinance, Article VIII, Section A. was held. No public attended. The Planning Board deliberated and approved the proposed change and a warrant article will be presented to the voters in March 2014.

Respectfully Submitted,
Eric Eichner
Surry Planning Board Secretary

Surry Conservation Commission

March 2014 Annual Report to the Town

The Conservation Commission has continued implementing the Forest Stewardship Plan drawn up in 2012 for the Graf town Forest. Andrew Lampron, a senior Geography student at Keene State, refined the trail designs proposed by Geography students last year. Working with Professor Jo-Beth Mullins, Lew Shelley from the Student Conservation Association and Rick Brackett from the Monadnock Conservancy, he laid out and flagged two proposed trails. He and Lew led a trail-building workshop in April for Conservation members and Geography students in the Town Forest. Trail building was put off until after the logging is completed.

Licensed Forester Wayne Young led the annual Old Home Day Graf Forest hike, to show what he had marked for harvest and why. About 25 acres is under contract for a 2014 winter cut, marked to promote quality forest growth, to promote young timber growth on the forest floor, and provide wildlife habitat. Think "weeding." The small amount of revenue projected will be used for trail building materials. Conventional logging was the method chosen to preserve the natural look of the forest, to provide bidding opportunity for local loggers and to allow more diverse re-growth.

Another group of Keene State Geography students added to the Surry Natural Resource Inventory. They interviewed residents to find out what natural and cultural features were important to them. They mapped these, and presented their findings to the Commission through use of a power point slide show.

The Joslin Road Bridge over Merriam Brook was red-listed in October because the July 2012 flood undermined the footings. Water getting into the bridge seams and then freezing has caused some of the joints to separate. The Selectmen guided by FEMA, and with input from the Commission, determined what work was needed to secure the bridge and reinforce the banks. The Commission brought in a civil engineering company to provide advice, which they offered free of charge.

Several residents have mentioned their dismay that the foot bridge over Merriam Brook (on the trail that follows the west side of the Ashuelot River) was destroyed in the 2012 flood. New bridge plans have been submitted to the Army Corp. Surry snowmobilers are looking for volunteers who would like to help rebuild the bridge. Interested residents are invited to contact the Conservation Commission.

Surry is growing and new homes are being built. If you have any questions about what you can do to preserve your land, soil, water and wildlife resources, the Conservation Commission will be glad to help. We meet the first Monday of the month, 7:00 PM, at the Surry Town Hall. All are welcome.

John Davis, Chair
Caroll Lothrop, Secretary
Bob Hammond, Member
Ken Maynard, Member

Surry Fire Department

Engineers Report 2013

Another quiet year is behind us. We have our meetings at the fire station on the second Monday of each month starting at 7pm and we have training every fourth Monday. If there is anyone interested in joining our team you are encouraged to stop by at one of those times. We can use all levels of ability and experience in Fire and Medical Services and we offer training for anyone interested.

As a general reminder, a fire permit is required for any outdoor fire unless the ground is covered with snow; preventing the fire to spread. Please call the Fire Warden, John Berglund prior to your burn, or one of the Deputies can issue a permit as well. The deputies are: Ken Maynard, Roger Bienvenu, Scott Collier, and Durwin Clark.

The Fire Engineers again thank the department members and the Town residents for their continued support.

Respectfully submitted:

Fire Engineers Town of Surry,

Durwin Clark, Chief
Tim Bienvenu, Deputy
Joshua Brooks, Deputy

Surry Police Department - End of Year 2013 Report

This past year was also a challenging one. We're still short-handed and our activity is on the rise. We've seen several areas of an increase in calls, ranging from a simple field interview to the criminal cases. A few of our residents unfortunately were victims of burglaries as well. These appeared to have happened during the day when folks were at work. We're not immune to these types of incidents and they're happening all around us, so please remember to continue to secure your homes, sheds and vehicles. And if we all continue to pay attention to our surroundings and watch over each other, we can minimize the opportunities of these brazen thieves. If you see a car that's out of place, or something else that "just doesn't look right", please call us!! Let us know. We'd much rather check on a non-issue, than have someone suffer a traumatic event that may have been avoidable. And please obtain as much information as you safely can, license plate numbers, types of car, descriptions of people, what they're wearing, direction of travel, etc.

More flooding, road washouts and closures kept us busy again for a while around the end of June. This was primarily in the northern areas of town. Joslin Rd and 12A were the hardest hit again and took several months before repairs were completed.

Budget cuts from the dam also hit us pretty hard this year, essentially getting sliced almost in half. This also resulted in their own staff not being around as often and several nights now requires the police to close the entire rec area at the end of the day. However, due to the flooding and high waters at the lake, the rec area was completely closed more than it was open this past season.

The Dort Rd area is also becoming more of a "free for all" because there just aren't the staffing levels available to monitor it as frequently as it should be. Fortunately, the town has an open container ordinance in place which does help, but there's room for improvement.

Training as always is an on-going event for us, with numerous sessions already scheduled for 2014.

As usual, we want to extend our thanks to the Surry Fire, Rescue and Highway departments for their continued assistance and support throughout the year.

Respectfully Submitted,

Gerald Clark	Chief of Police
Joel Huntley	Lieutenant

WALLACE A. RENE AUDITOR
February 9, 2014

**State of New Hampshire Town
of Surry
County of Cheshire
Town Meeting Minutes 2013**

Nancy Callender, town Moderator, opened the annual meeting March 14, 2013 at 7:00 the Pledge of Allegiance said. The polls were opened on March 12, 2013 from 2:00 p.m. to 7:00 p.m. for the purpose of electing the town officers as listed on the official ballot. The moderator read the results of the election of officers and informed everyone present the swearing in of those elected would be Monday, March 18, 2013 at 7:00 p.m.

1. To choose all necessary Town officers as listed on the official ballot.

Read by the Moderator

Swearing in for elected officials: 7:00pm Monday 3/18/13

Those accepting positions read by Nancy Callender

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, the 14 of March, 2013 for the business meeting at 7:00 p.m. to act on the following articles:

2. To hear the reports of the Town Officers and Committees.

Motioned: Bruce Smith

Seconded: Larry Levesque

Discussion: None

Moderator Vote: Passed

3. Are you in favor of changing the distribution of funds from the current use penalty as specified in RSA 79A, Land Use Change Tax, as recommended by the Planning Board? Funds received would be disbursed 50 percent to the General Fund and 50 percent to the Conservation Commission instead of 100 percent to the Conservation Commission as it is applied now. If adopted this article shall take effect April 1, 2013 and shall remain in effect until altered or rescinded by a future vote of the Town meeting. (Majority vote required).

Motioned: Susan Farrell

Seconded: John Davis

Discussion:

J Davis: came out of last year's article planning board and Conservation Commission worked out the terms

C Lothrop: Conservation Comm looked into how much taxes would be effected; change would be \$30 per taxed household

L Levesque: Agrees harder to ask for money; against 50/50

C Berglund: thinks should stay 50/50;

T Small: Planning Board

K Parrott: Article 4 impacts Article 3

J Croteau: 58 take advantage of Vet Credit @\$45 increase if Article 4 passes

Moderator Vote: Passed

4. Are you in favor of changing the amount of the Veterans Credit as it relates to property tax from \$100 up to \$400? (Majority vote required)

Motioned: B Smith

Seconded: J Davis

Discussion:

B Larocca: explain up to

R Bienvenue:

F Bretton:

S Goldsmith: spoke to

C Lothrop: need based or any Vet

S Goldsmith: there are rules

J Croteau: it has been a long time since this issue has been addressed in town

P Bissell: asking Clarification of \$44. dollar increase

R Bienvenue: their taxes increase also

D Ha: they deserve the increase

K Parrott: why no discussion based on increase when discussion of Article 3

L Levesque: question on number of Vets taking advantage total number of Vets taking advantage

Moderator Vote: PASSED

5. To see if the Town will raise and appropriate the sum of \$5000 to place into the ongoing capital reserve fund known as the Property Revaluation Fund for the purpose of a future town wide property revaluation required every five years, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Motioned: S Farrell

Seconded: B Beaudine

Discussion: None

Moderator Vote: PASSED

6. To see if the Town vote to raise and appropriate the sum of \$10,000 to place into the ongoing capital reserve fund for Highway Equipment, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Motioned: B Beaudine

Seconded: J Davis

Discussion: None

Moderator Vote: PASSED

7. To see if the Town will vote to raise and appropriate the sum of \$25,000 to place into the ongoing expendable trust fund known as the Town Hall and Carriage Shed Maintenance Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Motioned: B Smith
Seconded: S Farrell

Discussion:

M Fosher: Town Hall is oldest in NH that has been in continuous use in favor of this

R Fiorey: to be used to fix sill on end and side, to save money in long run

B Russo: will Cupola roof be painted

D Lane: it is copper

Moderator Vote: PASSED

8. To see if the Town will vote to raise and appropriate the sum of \$100,000 for the purpose of making road improvements, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Motioned: B Smith

Seconded: Farrell

Discussion:

C Lothrop: PLans to open lower part of Pond Rd is it part of this

S Goldsmith: Yes there are plans but money came from FEMA

C Richardson: is it a different design

S Goldsmith: the Gov owns the road but will not maintain it

R Bergevin: Surry Road to be resurfaced

R Fiorey: Flood changed order of resurfacings, will be in 2014

W Russell: How do we come up with figures to repair all town roads

R Fiorey: amount could be raised but would have to be increased

D Lane: amount to fix all roads would be astronomical if all roads were brought up to city type roads if Town wanted to

B Beaudine : asphalt price increased a lot in past few years

W Russell: Who is the Road agent

R Fiorey: Road employees only no road agents

W Russell: no advocate if no Agent

F Breton: involved in change from agent to employee it has been a good change in his opinion

B Bergevin: Appropriate more now to get more done now

F Conroy: any money left from last year

R Fiorey: No

B Larocca: So no capital reserve fund for roads

R Fiorey: No

W Russell: Back to agent, if Selectmen are in effect the agents then they need to put more information into deciding the amount needed to fix roads

R Bienvenue: Roads are in much better condition now than when he moved into town

W Russell: How much more to do roads effectively

C Richardson: which roads scheduled this year

R Fiorey: FEMA is willing to help put the road back but majority of budget will be used on Malcolm Drive that was washed out in Flood

Moderator Vote: PASSED

9. To see if the Town will vote to raise and appropriate \$3,000 to place into the Financial Audit Expendable Trust Fund, for the purpose of paying for a future financial audit of the town, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Motioned: R Beaudine

Seconded: B Smith

Discussion:

K Parrott: When last audit

J Croteau: Has never been one

M Kiuawa: who wants this audit

J Croteau: State

C Lothrop: School Board has this done each year; they ask for a lot of documentation that may be necessary for an audit

J Berglund: how much in that fund now how much to do the audit

J Croteau: \$6,000 now up to \$20,000 total

Moderator Vote: PASSED

10. To see if the Town will vote to repurpose and rename the Fire Station Exhaust Capital Reserve Fund, the new name will be the Fire Truck Capital Reserve Fund for the purpose of purchasing a new fire truck. The balance of the Fire Station Exhaust Capital Reserve Fund to be transferred into the new fund. The Selectmen to be named as agents to this fund. (2/3 vote required.)

Motioned: J Berglund

Seconded: J Davis

Proposed Amendment:

J Berglund: Would like to amend to read:

"To see if the town will vote to repurpose and rename the Fire Station Exhaust Capital Reserve Fund, to the new name of "Fire Truck Capital Reserve Fund" for the purpose of purchasing a new Fire Truck. The balance of the Fire Station Exhaust Capital Reserve Fund to be transferred into the new fund. Additionally, to raise and appropriate the sum of \$15,000 to be added this year for a total fund balance of \$25,000, or take any action in relation thereto. "

Second on ammendment: J Brooks

Discussion:

J Berglund: Explanation "This amendment proposal specifically removes the selectmen from acting as agents. The rationale being, the residents of the Town of Surry should be involved in the expenditure of fund for purchases of this size. This decision should be made by the representatives of the fire department duly elected by the Town, your fire engineers."

B Smith:

J Croteau: Fire Committee should have some say with vote at town meeting, this possibly changes the intent

S Farrell: Exhaust Fund need to be spent in the future

S Goldsmith: as selectmen looked at it cost is \$15,000 \$20,000 for new, did work to get the units from old Keene station for @\$1,000 each bought 2 with \$3,000 for install, needed a way to use the extra \$10,000 back into Town account.

J Berglund: Understanding that money can't be removed

"The \$15,000 figure is predicated on there being \$10,000 currently in that fund. I would also comment, that the current front line truck is paid off, removing \$40,000. The article would add \$15,000 for a net reduction in this category of \$25,000 in the annual expenses of the fire department."

R Fiorey: Money will not be used and will sit

C Lothrop: Can Capital Reserve be returned to taxpayer

Selectmen: Yes

R Bienvenue: this is looking to start Capital Reserve for equipment, attempt to smooth out taxes

B Larocca: feels intent has been changed by the amendment

Moderator: if this is true the state would make the decision

Moderator Vote on Amendment:

Standing Vote

Yes 26

No 32

DEFEATED

D Lane: Proposing an amendment strike the last sentence

New Amendment to the Article: To read:

"To see if the town will vote to repurpose and rename the Fire Station Exhaust Capital Reserve Fund, to the new name of "Fire Truck Capital Reserve Fund" for the purpose of purchasing a new Fire Truck. The balance of the Fire Station Exhaust Capital Reserve Fund to be transferred into the new fund."

Motioned: D Lane

Second: M Clark

Discussion:

R Bienvenue: asking clarification

Selectmen: clarified

Vote on Amendment: PASSED

Article 10 with Amendment:

"To see if the town will vote to repurpose and rename the Fire Station Exhaust Capital Reserve Fund, to the new name of "Fire Truck Capital Reserve Fund" for the purpose of purchasing a new Fire Truck. The balance of the Fire Station Exhaust Capital Reserve Fund to be transferred into the new fund."

B Smith: Article reviewed by concord

J Croteau: Concord asked for agent then asked why to be removed

Moderator Vote on Amended Article: Standing Vote

In Favor 64

Not in Favor 1

Motion: PASSED

11. To see if the Town will vote to appropriate up to \$15,000 from the Highway Equipment Fund for the purchase of a new truck body for the Town highway dump truck with said funds to come from the Highway Equipment Fund. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

Motioned: M Clark
Seconded: S Farrell

Discussion:

K Parrott: when are they going to buy a new truck rather than repair

R Fiorey: Current truck should last a while longer with new body

J Davis: put in less than needed put in \$10 taking out \$15

Moderator Vote: PASSED

12. To see if the Town will vote to create a capital reserve fund under the provisions of RSA 35:1 I, to be known as the Police Cruiser Fund, for the purpose of purchasing a new Town Police cruiser, and to raise and appropriate the sum of \$5,000 to place into this fund, or take any action in relation thereto. The Selectmen and the Budget committee recommend this appropriation. (Majority vote required).

Motioned: B Beaudine
Seconded: B Smith

Discussion:

N Balla: what is current inventory

G Clark: one Ford Explorer to be replaced in 2016

Moderator Vote: PASSED

13. To see if the Town will vote to raise and appropriate the sum of \$393,267 for general municipal operations, or take any action in relation thereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)

Motioned: S Farrell
Seconded: B Beaudine

Discussion:

F Haap: What falls into this category

Moderator: all things listed in town report

Moderator Vote: PASSED

14. To transact any other business that may legally come before this meeting.

C Lothrop: School Board meeting date next Thursday

R Bienvenue: Thanks all those who served town this year recognize Russ Fiorey's service as he will be stepping down from office

M Fosher: Correction to town report

M Clark: Thanks those who changed report size for better viewing

M Rhoades: correction to Library Trustees page7 remove

Selectmen: Recognize 50 years of service Mabel Rhoades as Supervisor of the Checklist

Openings in the Town: Sup. of Checklist and Town Sexton

Motion to Adjourn: B Beaudine

Seconded: B Bergevin

Moderator Vote: PASSED 8:17pm

Given under our hands and seal this 18th day of February in the year of our Lord Two Thousand Thirteen.

Respectfully Submitted,

Darlene Clark

March 2014 Annual Report of the Surry School District Officers

The Annual Surry School District Business Meeting will be on Thursday, March 20, 2014, 7:00 pm at the Surry Town Hall. The copies of the Warrant Articles and the Budget will be posted and also available on the Surry website.

This year is the sixth year for the Surry children in the Keene Public Schools. Bill Gurney, Superintendent of Keene, reported that Surry students have assimilated without issue and that all school administrators are satisfied with the Surry students. He noted that there have been no discipline issues at all with Surry students. There are seventy-eight Surry students attending in Keene. Six Surry students are tuitioned privately, five are home schooled, and nineteen attend the Surry Village Charter School. Thank you to all in town who have been so helpful to the Board in keeping an accurate census of Surry's children.

Last year, we noted that more families with preschool and school age children are moving to Surry. That trend continues this year at an accelerated rate. During 2013, nineteen students moved to Surry who attend school in Keene, and thirteen have moved away. In the preschool population of thirty nine children, eight moved in, four moved away and six were born. We anticipate this trend to continue as young families are buying or building houses in Surry or occupying one of the many rental houses and apartments in Surry.

The educational needs of Surry students has been the Board focus this year. We are continuing to evaluate children who may need some additional educational support and to provide any needed services. We have retained the services of two specialists to provide the evaluations. As of this writing, the Board is working with First Student Transportation to assure that the buses provide enough seating for students and adhere to the schedule.

Surry School District, SAU 91, continues to be administered by Superintendent Ken Dassau, Ed. D., with business services provided by Brian Gallagher. Until June 30, these individuals are contracted through Granite State Transitional Principals. Beginning July 1, the Board will contract directly with Dr. Dassau and Mr. Gallagher for three years. Joining SAU 29 does not seem to be a possibility for the near term.

The Surry School District is under contract with the Keene School District to send all its public school students to Keene. The Board's policy follows state law which requires the School District to provide a public education for Surry resident students. Families planning changes in where their children will attend school are encouraged to contact the School Board ahead of the changes. The School Board can then determine whether the Keene tuition will be paid by the School District or the family.

According to the building inspection done by Patrick Richardson a couple of years ago, the building is mostly in good shape. In spring, a system to divert salt water (which keeps the boiler clean) away from the septic system will be installed, to extend the life of the septic system. The expected cost will be under \$1,000. The hot water tank has also been replaced. The remaining need pointed out by the building inspection is to address the lack of insulation. The building passed its annual fire and health and safety inspections.

For the safety of the children, and to protect the integrity of the school driveway, the School Board reminds residents that the school driveway is not a public road. Signs have been posted at both ends of the driveway specifying that the driveway is for school access only.

The Surry Village Charter School and the Surry School District contracted for a one year lease for the 2013-14 school year. The rent was set at \$1.00 for the year in support of the Charter School. The School Board assumes the costs of repairs of major system failures and the Charter School assumes the costs of maintenance and utilities.

Surry residents, the Board sincerely appreciates the support you have shown us. We welcome your input at our meetings. We meet the third Monday of the month at 7:00 at the Surry School building. Phone or email contact information is posted on front door of the school and on the school bulletin board at the Town Hall.

Article 2 – Main Budget of \$1,469,900

To see if the District will vote to raise and appropriate the sum of \$1,469,900 for the support of schools for the payment of salaries for the School District Officials and Agents, and for the payment of the Statutory Obligations of the District for the 2013-2014 Fiscal Year.

Motion, Chris LaRocca - Second, Matt Barrett

Robert Beaudine questioned the discrepancy between the numbers on the budget offered to the residents (copied on the back of the warrant passed out) and that in the actual warrant (a difference of \$1340). No explanation could be given. Bruce Smith moved to amend the figure to that on the budget that was offered during the meeting. Wayne Brown seconded. The Article Amendment was passed and the original Article was amended to read a main budget of \$1,468,560. No further discussion. The Main Budget was passed, reading \$1,468,560.

Article 3 – Transfer of Unused Funds up to \$30,000

To see if the Surry School District will vote to appropriate and authorize the school board to transfer up to Thirty Thousand Dollars (\$30,000) of its June 30 fund balance available for transfer on July 1, if any remain on hand at the end of the fiscal year, June 30, 2014 to be deposited in the Expendable Trust Fund (Special Education and Tuition Trust Fund) established by the voters of the District in March, 2009.

Motion, Steve Goldsmith - Second, Robert Beaudine

No Discussion, Article Passed

Article 4 – Petitioned Warrant Article

To see if the Surry School District will vote to raise and appropriate the sum of \$95,000 to be donated to the Surry Village Charter School to support the public education of approximately 19 residents expected to attend the Surry Village Charter School for the 2013-2014 school year.

Motion, Alex Prescott, Second, Patrick Rilling

Matora Fiorey addressed the article. Tim Peloquin responded for the School Board. David Lane responded for the Budget Committee. Both Peloquin and Lane stated that adjustments in rent would be a better course of action than a check donation, primarily because it is a separate entity from the Surry School District and we are under contract with Keene for 20 years to tuition our children to no other school entity. Frank Conroy spoke in favor of SVCS. Frederick Bretton asked why \$95,000 and what would it go towards. Matora Fiorey said that equaled the cost of tuition for Surry Students and that it would cover the SVCS deficit. Bill Russell noted that this would open up the possibility of other residents who choose alternatives the Keene School District to ask for money, the SSD would be unable to exercise oversight of how that money would be used, and this money will clearly go to support students from other towns. Robert Beaudine pointed out this might be an annual request, and the town risks a lawsuit from the Keene School District. Russell Fiorey spoke in favor of the SVCS, saying having a school in town is why we withdrew from Monadnock. Steve Goldsmith asked if SVCS has approached the state regarding funding, as this is a state created entity. Matora Fiorey responded that they have. Gretchen Warren pointed out that the town does support the school by maintaining the building, and that the town is liable for all major system failure. Larry Laveque expressed concern regarding breaking contract law, and noted that Surry withdrew because Monadnock was treating our town unfairly. Tim Peloquin responded to several of the points that residents and Matora Fiorey made. Matora Fiorey responded to Tim Peloquin and the points of several of the residents. Matora Fiorey made a motion to lay the article on the table. Bruce Smith seconded. Nancy Callender answered several procedural questions by the residents, notably that the article would die at the cessation of the meeting if it is successfully tabled and not raised again for discussion. 111 in favor, and 9 opposed. The motion to lay the article on the table passed.

Article 5 – Terms

To transact any other business which may legally come before the meeting.

David Lane applauded Matora Fiorey's motion to lay the article on the table for the sake of the town and its unity. Roger Bienvenue thanked the SSB for their service. Jay Croteau thanked Nancy Callender for moderating the meeting.

Motion to terminate the meeting, Bruce Smith - Second, Wayne Brown - No Discussion, Meeting Ended
– 8:03PM

Respectfully Submitted,

Rebecca H. Russo
Assistant District Clerk

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale

2013 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Members are nominated by local municipal officials and appointed by the Commissioner of the NH Department of Environmental Services (DES). We strive to be educated in a broad array of issues associated with the River and its watershed. We hope to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

The volunteer Ashuelot River water quality monitoring program continued for its thirteenth season, in conjunction with the DES Volunteer River Assessment Program (VRAP). We sampled eleven sites along the River's 64-mile length, as well as three sites along the South Branch in Swanzey, for temperature, pH, total phosphorus (TP), dissolved oxygen, turbidity, chloride, and conductivity. The costs of lab analyses were covered by contributions from Conservation Commissions along the River and DES. ARLAC members, working with community volunteers, participated in a spring training session, leading into a five-month effort of monthly sampling May through September. E. coli samples were obtained June through September. Data collected generally reflect improvement in River water quality noted by a continuing decline in total phosphorus, generally lower E. coli levels, and slightly higher pH readings, though pH continues to be lowest in Gilsum and the reaches upstream. Collections during the July 3-inch rainfall largely demonstrated the negative effects of run-off on the River: E.coli levels were well above acceptable limits, TP were at levels of concern, and turbidity readings were at their highest. Working with Keene State College, we hope this year to differentiate the sources of E. coli to determine whether they are of human or animal origin. Collected data can be viewed at <http://des.nh.gov/organization/divisions/water/wmb/vrap/data.htm>

A mandated task, ARLAC reviews and comments on state permit applications within the River corridor that have potential impacts on the River. This year, ARLAC submitted comments on twelve projects proposed in Washington, Gilsum, Keene, Swanzey, and Winchester. We submitted comments to the Federal Energy Regulatory Commission in support of proposed studies surrounding the re-licensing of the Northfield Mountain and Turners Falls Hydroelectric projects. Issues of concern are migratory fish passage, fluctuating water levels and spread of invasive species. We continue to advocate for River access with new canoe/kayak access being established in 2014 with the Swanzey-Winchester Route 10 bridge construction.

We continue to actively follow the debate regarding the restoration or removal of the West Street Dam in Keene. We await the study reports as commissioned by the Keene Conservation Commission researching the possible effects of dam removal on upstream wetlands and the dwarf wedgemussel. We also met with Keene State College students working on West Street Dam related projects.

We attended a state-wide meeting of LAC's where Swanzey representative, Stephen Stepenuck, received special recognition for his services to the Rivers Management and Protection Program. He, Pablo Fleischmann and Barbara Skuly were also recognized by the NH Department of Environmental Services for their longevity of service.

River cleanup took place on October 11th in conjunction with KSC Community Service Day. More than 100 volunteers participated, removing more than 3,300 pounds of trash and 35 shopping carts from the Ashuelot & Branch Rivers in Keene and Swanzey, and Beaver Brook in Keene.

ARLAC meets monthly in the evening of the third Tuesday in Keene. The Local Advisory Committee invites citizens and town officials to contact their local ARLAC representatives with any concerns or input.

Respectfully submitted,
Barbara Skuly, Chairman

2013 Membership: Pablo Fleischmann, Gilsum; John Davis, Surry; Jim Holley & Brett Thelen, Keene; Barbara Skuly & Stephen Stepenuck, Swanzey; Lisa Bomba, Hinsdale.
